Pronunciation

"**Pronunciation in English**" is an innovative, practical and learner engaging interactive program."

-Gema E. Klein M.A. TESL, University of Tennessee English Department

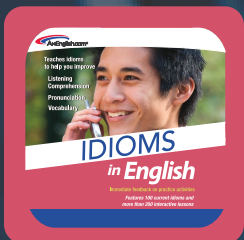

Writing

"I absolutely loved that the eBooks combined non-fiction and poetry."

- Academic Choice Reviewer

"I notice the idioms used by other people and applying them feels more natural now. I'm really 'dialed in' to the language."

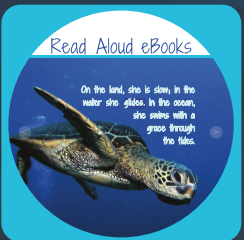

-Student

Idioms

"I like the on-line practices in **Writing in English**. Those really helped me. You learn it and practice it immediately. This will help you remember what you learned. And we also got answers from the practices. That let you correct it right away." -Student

"**Writing in English** is a wonderful program." -Student

Read Aloud eBooks

"All the exercises are cool. There is a lot of interesting new vocabulary for me." -Student

"The questions in the adaptive assessment were of high-quality - and as educator, I appreciated that they stretched beyond *recall and repeat*."

- Academic Choice Reviewer

"After using **Pronunciation in English**, I put more stress on the words which are important. I never realized there was a pattern to delivering my words." - Student

Vocabulary Builder: Animal Tales

"I have fewer requests to repeat information over the phone."

"The common errors list in **Writing in English** is a simple and effective way to keep errors/mistakes I made before on my radar screen and help me to get rid of those errors quickly."

"I especially like the combination of natural science and vocabulary." -Student
