- Explores the relationship between each animal + its environment
- Combines non-fiction + poetry

Student Reviews

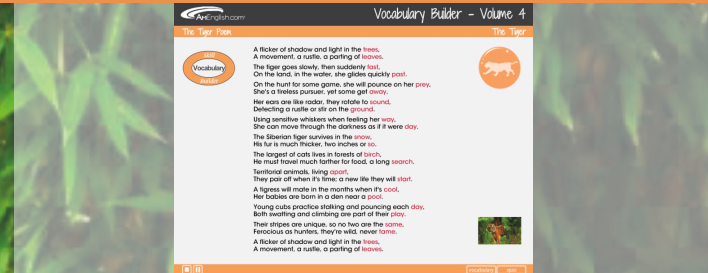

"I really like this learning program. All the exercises are cool. There is a lot of interesting, new vocabulary for me. My comprehension of the poems and vocabulary improved as I went over more and more chapters. I learned more than just the vocabulary."

"In addition to learning new vocabulary, it is fun to learn about different animals. The poetry helps me to remember new words easily."

"With listening, reading, dictation, and review questions, Vocabulary Builder: Animal Tales has all the elements to make learning fun and improve my general knowledge."

The Tiger Poem

The Tiger

Poems about each animal

- Feature targeted vocabulary in context
- Appeal to visual & auditory learners with text & audio

Natural science fact pages

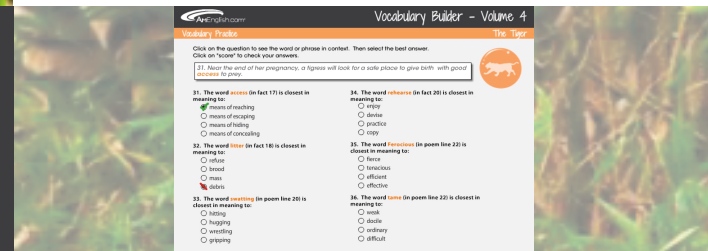

- Feature word highlighting for targeted vocabulary
- Provide links back & forth from the vocabulary practice
